This stone fronted Victorian terraced cottage has been considerably extended and improved in recent years and comprises well presented accommodation of: Entrance hall, very large lounge with high ceilings and period style fireplace, extended into the side-return (2007) a lovely kitchen/dining with double glazed sliding patio doors onto the rear garden, roof lights to the extension, fitted with an extensive range of oak fronted units and having a range cooker as a centrepiece. Utility room, Shower room/W.C. To the first floor are two bedrooms and a bathroom, the loft has been converted to provide the principle bedroom with an en-suite shower room. The property benefits from double glazing and Gas central heating with 'Worcester' combi boiler. There is a front forecourt and a good length south facing rear garden. We would strongly recommend internal viewing to fully appreciate this spacious home.
