Located in a quiet cul-de-sac in the popular village of Dinas Powis within a few minutes walk of the railway station which provides a regular service to Cardiff City Centre and in the opposite direction the principle town of the Vale of Glamorgan and Barry Island. The lovely village square with three great pubs, local shops and the common are within a five minute walk. The property itself is a mid link house with accomodation of Hallway, Living room, Dining room, Kitchen, Three bedrooms and Bathroom. The windows and external doors are double glazed and there is Gas Central Heating with a modern combi boiler (installed 2021). There is an open frontage and a fenced rear garden with rear access. The property has been let out for a number of years and would benefit from some cosmetic impovement but provides good value for money. The property is available with NO ONWARD CHAIN.
