In all my years as an Estate Agent I don't think I've come across such an incredible property. Great care & attention has been thought of in creating a spacious and versatile home with accommodation over 3 floors. From its beautifully presented interior to the large landscaped garden and triple off road parking - this house must be seen to be believed.

This house has been a wonderful home for our family to grow up in, as walking distance to Penarth town and a stones throw to Cosmeston, which has been so nice for early morning dog walks to watch the sunrise peacefully. It's a lovely community with great neighbours.
