PROSPECT PLACE

The development of Prospect Place has proven to be an incredibly popular place to live for young and old alike. Its a safe environment with its gated entry and tranquil given the expansive central communal lawns and of course the amazing water views.

We bought this flat from new, taken in by its fantastic views across Cardiff Bay and beyond. We had intended ultimately to live there but life got in the way so we've let it ever since. In this 20 year period the tenants have repeatedly commented about the views from the balcony but also about its convenient position with the ease of accessing Cardiff centre and the site's facilities. It has proven very popular and has very, very rarely been untenanted.
