A charming detached cottage full of character, set on a generous private plot in the heart of Machen. This three bedroom home offers excellent potential for buyers looking to create a beautiful family home in a peaceful and highly sought after village location.

The property features a spacious living room, a good sized kitchen with dining area, three bedrooms, and a modern bathroom on the top floor. The large garden provides plenty of outdoor space and offers an opportunity for landscaping or future extensions (subject to planning)

The plot also includes a substantial supply of seasoned firewood, which can significantly reduce heating costs — a valuable benefit during periods of rising energy prices. In addition, the garden contains mature apple and pear trees, providing a natural supply of fruit for the winter months, as well as ample space for growing organic produce.

This makes the property particularly appealing to buyers interested in sustainability, self sufficiency, and outdoor living.

Located close to local amenities, countryside walks, and with good access to Caerphilly and Cardiff, this property represents a rare opportunity for buyers seeking a home with character and room to grow. The house is offered with no onward chain.
