HIGHLIGHT PARK

What I love about this home is how effortlessly it combines space, style, and practicality. With four generous bedrooms and two reception rooms, it's perfect for growing families or anyone who enjoys entertaining. The layout flows beautifully, making everyday life easy, and the two bathrooms add real convenience. The standout feature has to be the extensive parking for up to seven vehicles which is a rare bonus in this area. Set in the sought-after Coed Y Capel within Highlight Park, it's a home that ticks all the boxes for modern family living.

We've loved living in this home. It's been spacious, comfortable, and perfect for family life. The four bedrooms, two reception rooms, and two bathrooms have given us plenty of room to enjoy every day, and the parking for up to seven vehicles has been a real bonus. Now that it's just the two of us, we're looking to downsize, and while it's a little sad to leave, we hope the next owners will love it as much as we have.
