I love the versatile living space. With the orangery, enhanced by its new roof, has become a bright and welcoming focal point of the home, while the sunny rear garden provides an ideal space for relaxing and socialising. The well-proportioned bedrooms offer flexibility, and the double driveway together with the larger-than-average garage adds excellent practicality. Combined with its sought-after location on Lydstep Road in Barry, this has been a comfortable and well-balanced home for modern living.

I've loved living here. It's a wonderful sense of space, with two generous reception rooms that have been perfect for both cosy evenings in and hosting family and friends. The orangery is truly the heart of the home as it's bright, airy, and filled with natural light thanks to the new roof, making it a lovely place to relax all year round.
