THE KNAP

What I love most about this property is the exceptional panoramic sea views, which can be enjoyed from multiple vantage points and create a sense of space and tranquility. Its prime location, just a short distance from the coast, allows for easy access to the beach and all the leisure opportunities the waterfront offers, combining the appeal of a scenic setting with the convenience of everyday coastal living.

Our mum loved sitting by this window, gazing out and watching the world go by—it was her favourite spot to relax and soak in the surroundings.
