From the moment we stepped inside, it was clear how much care and attention had gone into renovating this home. The contemporary finish, practical layout, and versatile garden workshop make it a fantastic opportunity for buyers looking for a property they can move straight into and enjoy from day one.

I have loved making this house a home and have enjoyed carrying out the renovations to create a modern and comfortable living space. I am now looking to move on to a larger property where I can take on my next renovation project and continue bringing my ideas to life.
