CARDIFF VALE CAERPHILLY BRISTOL

I couldn't believe how spacious the ground floor was. It's much bigger than most properties on the street and has been presented so beautifully. The second reception room is also really versatile, having previously been used as a home office and an additional bedroom.

We have really loved living here, but we're now looking to move somewhere a little closer to family. The versatile space and convenient location will definitely be missed, as will making the most of our sunny garden during the summer months.
