*What I love about this property is the sheer amount of space it offers and the flexibility that comes with it. The three large reception rooms provide plenty of room for family life, entertaining, or working from home, while the four well-proportioned bedrooms make it ideal for growing families or those who need extra space.*

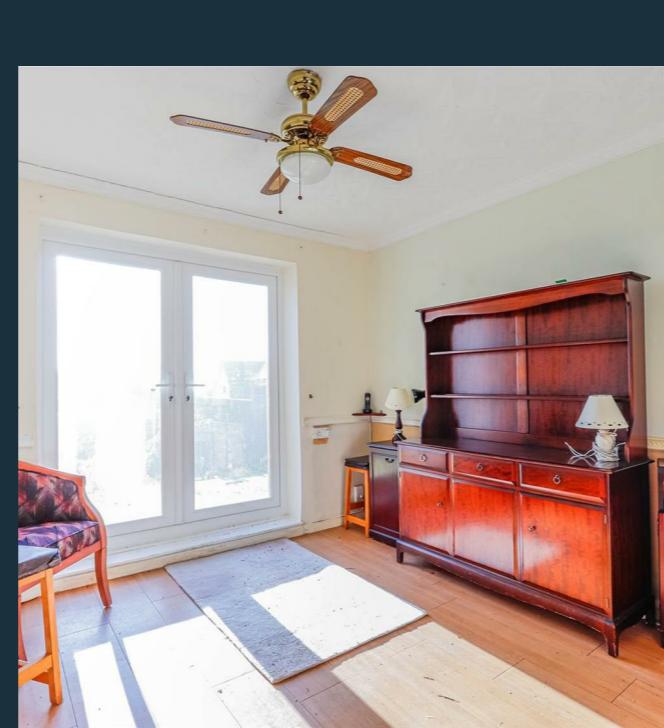

*The property also offers fantastic potential to modernise and truly make it your own, which is especially appealing for anyone looking to add value. Being offered with no onward chain makes the process much smoother, and the convenient location close to local amenities, schools, and transport links really completes the package.*
