THE WATERFRONT

We love how this unique townhouse offers far more space than expected, thanks to its clever design and versatile layout. With stunning dockside views, bright and modern interiors, and a sought-after Barry Waterfront location, it's a home that truly stands out from the crowd.

We've loved waking up to the beautiful water views every day and watching the boats come and go across the docks. The house is incredibly light and spacious, and the Barry Waterfront location has been perfect, with lovely walks, local amenities, and the beach all within easy reach. It's been a wonderful place to call home, and we'll certainly miss the views the most.
