From the moment we stepped through the door, we were impressed by the contemporary feel of this home. The current owners have clearly invested a great deal of time, care and attention into creating a stylish yet practical family home. Every improvement has been thoughtfully considered, resulting in a property that is beautifully presented throughout and ready for its next owners to move straight into and enjoy.

We have been fortunate to call this house our home for over 25 years, creating so many wonderful memories as a family. We've loved the space it has given us to grow, the beautiful garden where we've spent countless summers, and being part of the fantastic Barry Island community. It's been a truly special place to live, and we hope the next owners will enjoy it just as much as we have.
