What I love most about this home is its quiet cul-de-sac setting in the heart of Pencoedre Village, making it ideal for family life. The layout offers great flexibility, with two bright reception rooms and well-proportioned bedrooms that feel comfortable and welcoming. The larger-than-average rear garden is a real highlight, perfect for children, entertaining, or simply enjoying time outdoors. With no onward chain and excellent access to local amenities and transport links, this home offers both convenience and a lovely sense of calm.
