TENURE & POSSESSION

The land is freehold and is being offered for sale with full vacant possession upon completion.

SERVICES

The land has a metered water supply to a livestock drinking trough.

Willsons have not tested or verified the connection of any services or equipment including fixtures and fittings.

GRADE, SOIL TYPE & TOPOGRAPHY

The land is scheduled as Grade 2 by the Agricultural Land Classification of England and Wales. The predominant soil type in the area is Wallasea 2 as defined by the soil survey of England and Wales. The land is level lying.

DRAINAGE RATES

Drainage rates for the land are payable to Lindsey Marsh Drainage Board, and the selling Agents will notify the Drainage Board of the change of ownership following completion.

Along the northern boundary of the land is an Internal Drainage Board drain.

HM LAND REGISTRY

The land is currently not registered by HM Land Registry.

UNDERDRAINAGE

We are not aware that the land has been underdrained.

OVERAGE

It is the opinion of the selling agent that the land has sale development potential in the future and hence the vendor is ideally looking to share in any future increase in value. Within the Tender Form the potential purchaser can offer with or without an overage, if the offer is subject to an overage then the terms will be an overage provision whereby for a period of 30 years, 30% of any uplift in value attributable to the grant of planning permission for use and development other than agricultural and equestrian will be payable to the vendors.

EASEMENTS, WAYLEAVES & RIGHTS OF WAY

Electricity poles and overhead cables cross the land.

We are not aware of any other rights which affect the land, however all of the land is sold subject to and with the help and benefit of all existing rights, including rights of way whether public or private, light, support, drainage, water and electricity supplies and other rights, easements and all wayleaves whether referred to or not in these particulars.

BOUNDARIES

The vendor will, to the best of their knowledge specify the ownership of boundaries upon request but neither the vendor nor the selling agent will be responsible for the information provided and the purchaser will be deemed to have full knowledge.

RURAL PAYMENTS AGENCY

The land is not registered on the Rural Land Register. None of the land is currently entered into any Countryside Stewardship Scheme.

NITRATE VULNERABLE ZONES

The land lies within a surface water S714 Nitrogen Vulnerable Zone, as designated by the Environment Agency.

SPORTING, TIMBER & MINERAL RIGHTS

Sporting, Timber and Mineral Rights are included in the sale insofar as they are owned, subject to statutory exclusions.

VALUE ADDED TAX

The sale of the land does not currently attract VAT but in the event that the sale becomes a chargeable supply, such tax shall be payable by the purchaser in addition to the contract price.

PARTICULARS OF SALE

These particulars including the photographs, plans, areas and schedules (which have been prepared with reference to Ordnance Survey Plans and Rural Land Register Maps) have been prepared in good faith and are only a general guide and do not form any part of an offer or contract and must be not relied upon as a statement or representation of fact.
