A beautifully restored 1930s bay fronted semi detached property located on Burnley Road in one of our regions most sought after residential locations. The restoration has been carried out during 2025 and the property has been subjected to a 'back to brick' program of works with particular attention on retaining as much of the authenticity from the Art Deco period. The kitchen area has been completely re-modelled and includes an island unit, housing the sink, and electric range style cooking suite. The kitchen is complete with quartz countertops and a gorgeous bay window overlooking the rear gardens. The heating system has been replaced as has the wiring and the internal plastering. The original spindled staircase has been retained and the hallway Lincusta panelling is all intact, in addition the internal doors have been restored and retain their bakelite handles! Upstairs there are three bedrooms and a new bathroom suite. To the outside there are gardens to the front and rear and a side driveway providing on site parking for up to 3 cars. The rear gardens face more or less due west and benefit from the afternoon and evening sun. There is significant potential to extend the property if required and subject to local authority approvals.
