Old Brewers Court is a prestigious site, originally constructed as a brewery in Victorian times and now offering luxuriously appointed, individually designed living within a development of 25 homes. The whole site is protected under the conservation programme adopted by the local authority and the architects and builders worked hard to retain many of the features of the original specification whilst cleverly blending requirements of todays discerning buyers, the restoration of the site was completed in 2013 and has now matured into a fashionable residential destination.
