The property is a credit to the current owner who has restored the property to exacting standards whilst retaining the authenticity of the Victorian period. The roof was re-laid with new underfelt during early 2025, the kitchen was replaced in 2022 with modern functional designed units in white with built in cooking suite. To the first floor there are two double bedrooms, the main having original stripped and polished timber floor boarding and a sumptuous three piece shower room. However it is the rear patio garden that is the real show stopper! professionally designed, laid and planted out to create a truly beautiful and tranquil outside space.

With combination gas fired central heating and upvc double glazing the accommodation briefly comprises: entrance vestibule, lounge, breakfast kitchen, first floor landing, two double sized bedrooms and three piece shower room. To the outside there is a garden forecourt with iron fencing and of course the rear patio garden.
