From the road, the property appears to be a detached bungalow, however, the main living space is built at road level and there are four good sized bedrooms and two bathrooms on the lower ground floor with access onto the rear gardens. The property was constructed during 1980s and only 4 were constructed on the cul-de-sac to take advantage of the outstanding views. Number 2 has been in the same ownership for many years and the owners have carried out many improvements in that time to create a truly fabulous home. With gas central heating & upvc double glazing the accommodation briefly comprises: Entrance hall, with stairs to the lower ground floor, guest cloakroom, integral double garage, lounge with balcony, dining room, fitted kitchen, lower ground floor hall, four good sized bedrooms (the main with three piece ensuite) and luxurious four piece bathroom with built in TV. To the outside there are matured gardens to three sides with a double driveway leading to the double sized garage with remotely operated door. The property is being offered for sale with no onward chain and viewing is essential to appreciate not only the accommodation on offer but the attention to detail throughout.
