We understand the property was originally constructed in 1967 as a bespoke built four bedroom detached home on a generous plot with matured gardens to the front, side and rear and the benefit of an attached double garage. The property of course has been upgraded over the years and includes upvc double glazing and conventional gas central heating and the current accommodation briefly comprises: entrance porch, inner hall with guest w.c. off, very impressive dual aspect lounge, dining room, kitchen with granite worktops and integrated Neff cooking suite, utility room, first floor landing, four good sized bedrooms and a contemporary four piece bathroom with separate shower. To the outside there are lawned gardens to the front, side and rear with a generous block paved driveway leading to the attached double garage.
