FULLY RENOVATED ** 2 BEDROOM END OF TERRACE
** WALKING DISTANCE TO METROLINK + PRESTWICH VILLAGE ** BASEMENT ** HIGH SPEC FINISH ** ULTRA MODERN KITCHEN AND BATHROOM ** NO CHAIN

A welcome addition to the property market, we have a brilliant example of a property refurbishment in this 2 bedroom end of terrace property. The location is very desirable being conveniently placed within a short walk of Heaton Park and the Metrolink station, as well as Prestwich Village and its array of supermarkets, bars, restaurants and shops. Princess Road continues to be gentrified with this property that has been thoughtfully brought up to date having undergone significant renovation works inside and out. As can be seen from the pictures, no expense has been spared and, unlike many refurbishments, the outside spaces have also been landscaped and finished to a standard that matches the inside. Other benefits come in the form of this property's end of terrace position as only the terraces on either end of this row have basements, which offer great additional storage space.
