An imposing seven-bedroom semi-detached family home occupying an elevated corner plot of approximately 0.35 acres in one of Northampton's most established residential locations. Built in 1922, the property extends to approximately 3,557 sq. ft. and retains a wealth of period character. The ground-floor accommodation is approached through an entrance porch, opening into a substantial reception hall with access to the principal rooms and a cloakroom/WC. The generous living room features an inglenook fireplace, while the separate dining room provides ample space for family dining and entertaining. The fitted kitchen is supported by a useful larder, rear lobby and utility room. On the first floor are four bedrooms and the family bathroom. The second floor provides three further bedrooms and a separate shower room, offering flexible accommodation suitable for a large family, guests or those requiring home-office space.

The property stands within mature and well-established gardens, mainly laid to lawn with a large stone patio, mature trees, shrubs and planted borders. The grounds enjoy a sunny aspect and a good degree of privacy, enclosed by fencing and brick walling. A remotely operated entrance gate opens onto the gravelled driveway, providing off-road parking for several vehicles and access to the detached double garage.

Abington Park Crescent is positioned beside Abington Park and is within easy reach of the shops, restaurants and amenities available along the Wellingborough Road. Northampton town centre, local schools and major road connections are also readily accessible.
