DESCRIPTION

Spaniel Cottage is an appealing mid-terraced period home occupying a particularly peaceful and secluded setting. The property is well presented throughout and offers bright, well-proportioned accommodation that blends traditional character with modern comfort. The cottage benefits from a shared driveway leading to a garage with adjoining store and parking for two vehicles, together with an attractive garden.

ACCOMMODATION

The property is entered via a stable door which opens directly into a spacious open plan sitting room. The room enjoys polished oak flooring and exposed timbers, centered around a characterful fireplace with wood-burning stove, stone surround, oak beam and slate hearth. A cottage-style window seat overlooks the front garden, while an oak-framed glazed door opens onto a small sun terrace enjoying a south-westerly aspect and views across a nearby paddock. A bespoke solid oak open-tread staircase rises to the first floor.

The kitchen is thoughtfully designed with a range of solid wood units, soft-close drawers and generous work surfaces. A ceramic Belfast sink is positioned beneath a window enjoying views over the surrounding landscape. Appliances include an integrated fridge, integrated washing machine and an electric two-oven AGA with halogen hob and extractor over. Adjacent to the kitchen is a well-defined dining area with space for a full-size table.

To the first floor, a landing provides access to a large airing cupboard with shelving. There are two comfortable double bedrooms, both enjoying views over the gardens, one of which benefits from extensive built-in storage. The shower room is modern and well finished, featuring a large walk-in Aqualisa power shower. The property is double glazed throughout and benefits from efficient storage heating.
