DESCRIPTION

A charming Grade II listed thatched cottage of stone and cob construction with wooden windows.

Stepping into the cottage via the stable door, you are immediately greeted by a sense of warmth and character that continues throughout the home. The kitchen has been recently improved, fitted with a range of units, worktops with an inset sink, space for a range cooker with an extractor hood over, integrated dishwasher and space for appliances.

The ground floor offers a choice of inviting living spaces. The dining area is full of rustic charm, with exposed ceiling beams, flagstone flooring, and a feature stone fireplace. The adjoining living room is equally full of character, centred around a wood-burning stove set within a traditional fireplace. The flagstone flooring continues, and large windows to the front elevation flood the room with natural light. A useful porch/storage area offers practical access to the front entrance which is currently used for storage. The ground floor is completed by a bathroom with a bath, shower, WC and a wash hand basin.

Upstairs, the character continues with exposed roof timbers and vaulted ceilings in the principal bedroom, creating a striking first impression. Two further bedrooms offer flexible accommodation, ideal for family, guests or home working. Bedroom 3 is located off the Bedroom 1 and would offer excellent, dressing room/study space if required.

OUTSIDE

To the rear of the property lies a particularly attractive and fully enclosed south-facing walled garden, predominantly laid to lawn and bordered with mature shrubs and colourful plants, offering a high degree of privacy. A paved seating terrace provides the perfect setting for alfresco dining. In addition there is a useful storage shed, space for a hot tub, summerhouse and a workshop.

There is a pedestrian gate providing access to the street.

The property does not have parking but there is on road parking available.
