DESCRIPTION

An exceptional two/three bedroom barn with one-bedroom ancillary accommodation, set within just under three acres of beautifully landscaped gardens and paddocks, enjoying far-reaching countryside and distant coastal views. Situated in a rural setting, this beautifully presented property combines traditional charm with modern comfort, offering flexible accommodation ideal for multi-generational living or income potential. The property also offers the potential to run a business or work from home utilising the multi purpose outside 'office'.

ACCOMMODATION

The main house offers versatile living across two floors. The ground floor includes a well-appointed kitchen/breakfast room, a utility room, cloakroom, and a delightful sunroom with wood-burning stove opening onto the rear garden. A study also sits on this level, alongside a further generous double bedroom with en-suite shower room, offering the flexibility to be used as an additional sitting room.

On the first floor, the property reveals vaulted ceilings with A-frame beams and exposed brick detailing, adding character and warmth. Two beautifully presented double bedrooms both enjoy superb countryside and distant sea views, each served by en-suite facilities—one a shower room, the other a bathroom. Again, potential exists to re-configure and create a sitting room.

The attached ancillary accommodation, currently separated by a blocked internal doorway (which could be reinstated), comprises a sitting room with kitchenette, a double bedroom, and an en-suite bathroom—ideal for guests, extended family, or as a potential holiday let.

OUTSIDE

The grounds are a true feature of the property. Approached via a shared private lane, the residence benefits from a gated driveway, ample private parking, a double garage and a large detached home office with cloakroom. The expansive gardens are thoughtfully landscaped with mature planting, a seating terrace, and a charming lawned area affectionately known as the “football pitch”. In addition to the gardens, lie two enclosed paddocks with a field shelter bringing the total plot to just under three acres.
