THE PROPERTY

Meneage Cottage is set on the northern edge of Talskiddy and stands amidst gardens and grounds of around 2.5 acres with lovely rural views.

The property comprises an original character cottage, constructed of vernacular materials, along with a striking curved extension that has created a truly individual country house. The comfortable accommodation extends to around 3,000 sq ft and is approached from the rear into an impressive conservatory that is subdivided into two rooms, the larger area is open to the kitchen, which is appointed in a Shaker style with oil fired Aga. The cosy dining room has an open beam ceiling whilst the generous dual aspect sitting room features a substantial granite fireplace with wood burning stove. To the rear is the second section of the conservatory with built in bar area. Completing the ground floor is a shower room and external utility.

Upstairs there are four bedrooms (one en-suite) along with the family bathroom

GARDENS, GROUNDS & Paddock

The property is approached through an electric gate to an extensive driveway with ample parking and direct access to the double garage. Adjacent to the main building is a detached workshop which could create a wonderful studio or home office.
