DESCRIPTION

Thurlby Cottage is a charming, attached, Grade II Listed cottage which Listed Buildings notes state dates from the 18th Century. Of rendered cob and stone elevations beneath a primarily thatched roof (re-thatched Spring 2014), the property enjoys a wealth of character features including feature fireplace, beamed ceilings and wooden brace and ledge doors. For a cottage of its age and nature, the rooms are spacious and of a good layout.

ACCOMMODATION

A thatched front porch with stable door leads to the sitting room with exposed beams and feature fireplace with inset wood burner and bread oven plus a built-in cupboard. From here, the hallway leads to the dining room that features another fireplace with inset wood burner. The kitchen/breakfast room has a range of units with inset Belfast sink, oil-fired AGA and ample space for dining table and chairs, and leads to a convenient downstairs shower room, just off the inner hall. Stairs rise to a large landing space with room for an office area. There are three double bedrooms together with a family bathroom comprising free-standing bath, shower cubicle, wc and wash basin.

OUTSIDE

A pedestrian gate leads to a cobbled path to the front door. There is a feature pond and two areas of level lawn bordered by hedging and shrubs.
