DESCRIPTION

Amberwood is a spacious family home created from a Victorian brick barn offering flexible accommodation on the edge of this popular village. It has been in the same ownership for many years, is set in grounds of over a quarter of an acre and enjoys fine rural views over adjoining farmland at the rear.

The house offers adaptable accommodation with sitting room with double doors opening to the garden and dining room adjoining the kitchen making a fantastic space for family living. The kitchen has recently been fitted with a range of units with space for appliances and a utility area. Completing the ground floor is bedroom 4 with en suite shower and separate door to outside.

On the first floor is the family bathroom and three bedrooms, the principal suite also having an en suite bathroom. Fine views are enjoyed to the rear over open countryside.

Outside there is a timber home office with kitchenette area, along with a covered patio providing a perfect spot for outdoor living.

The drive leads to an extensive parking area where there is also a part-built detached brick DOUBLE GARAGE AND WORKSHOP with plans showing accommodation over. Adjacent to the road is mature hedge providing privacy and screening for the southerly facing garden. To the rear of the house is a large patio backing onto unspoilt farmland and woodland beyond.
