DESCRIPTION

A characterful 4-bed detached former farmworker's cottage, believed to date back to the early 20th century and having been thoughtfully extended and improved over time. The accommodation now extends to approximately 2,024 sq ft with an additional 343 sq ft of versatile outbuildings.

The property enjoys a generous plot including paddock with attractive gardens, a gated gravel driveway providing ample parking, and enviable rural surroundings, all while being just a short distance from local amenities and major transport links.

ACCOMMODATION

The main Sitting Room has French doors overlooking the garden. This is a dual-aspect room with feature fireplace, offering a comfortable family living space. Adjacent lies the formal Dining Room with multi fuel burner and stairs rising to the first floor. Access to ground-floor WC and utility storage.

A well-proportioned Breakfast Room provides a further reception area, ideal for informal dining, which leads into the modern Kitchen featuring oil-fired AGA stove, quartz worktops, integrated oven and dishwasher and dual-aspect windows flooding the space with natural light. A useful rear Utility area completes the ground floor.

The first floor comprises four well-proportioned bedrooms. Bedroom 1 enjoys delightful rear aspect views, generous proportions and built-in wardrobe. Bedrooms 2 and 3 are served by a family bathroom with large double shower, sink and WC. Bedroom 4 could be combined with the dining room below to create an annexe with separate access (STPP). Loft access to boarded and insulated loft space.

OUTSIDE

The property is approached via a private gated driveway with parking for several vehicles. To the front lies a beautifully kept garden with manicured lawns and mature hedging, offering wonderful countryside views over rolling hills. The paved courtyard provides a private outdoor space for al fresco dining or entertaining. The outside space includes an impressive and productive kitchen garden and paddock.

A real highlight of the property is the collection of useful outbuildings: Outbuilding 1 – (3.88 x 2.94m / 12'9" x 9'8") ideal for use as a home office or studio.

Outbuilding 2 – (4.06 x 2.62m / 13'4" x 8'7") suitable for workshop or hobby space.

Outbuilding 3 – (3.05 x 2.44m / 10' x 8') and Outbuilding 4 – (1.31 x 1.31m / 4'4" x 4'4") provide additional storage or potential conversion (STP).
