## DESCRIPTION

This is a unique Scandinavian style, wooden lodge, located in a peaceful, rural location and set within around 4.81 acres of its own grounds and lake. The property is perfect for buyers looking to escape the hustle and bustle of modern life and 'escape' into nature, surrounded by wildlife including red deer and young foxes along with the commonly seen hares, bats, buzzards and owls.

The properties at Forest Lakes can only be used as a second home/holiday let, for personal use or as a holiday accommodation for a useful income. 10 Forest Lakes has been a much loved second home for the current owners and their family, who have beautifully landscaped the grounds around the lodge creating a large carp filled fishing lake in their tenure.

The accommodation comprises an impressive 44' open plan living/dining/kitchen area with sliding doors out onto a decked terrace with an inset hot tub and views towards the lake. The kitchen area is divided from the living space by a wide worktop with a range of attractive oak style units and built in appliances including electric hob, oven, washing machine, fridge, freezer and dishwasher. There are three double bedrooms, two have built in wardrobes and the main has an en-suite bathroom. There is a separate modern shower room, airing cupboard and large storage area.

## OUTSIDE

There are double entrance gates opening onto a private gravelled area providing plenty of parking space. Dotted around the grassed areas surrounding the lodge are various types of trees and at the rear, in full view, is the delightful carp lake with a bird hide at the opposite end.

The privately owned grounds, including the lake, in total amount to around 4.81 acres.

## HOLIDAY LETTING & SPECIAL NOTES

The property is subject to a Holiday Restriction Clause with a 52 week occupancy, and each new owner must have a permanent residence elsewhere.
