Description

Orchard Cottage is a deceptively spacious detached bungalow, positioned to take in the fabulous surrounding views together with 3.8 acres of gardens, pasture and woodland. Previous owners have made extensive improvements to the property both inside and out and have significantly increased the energy efficiency.

The accommodation is light, bright and airy comprising spacious open-plan living / dining room which enjoys views over the gardens and land, with diverse countryside and woodland views in the distance. There is a modern fitted kitchen with a range of units, utility/boot room, five bedrooms with the largest of the bedrooms previously converted into a bedroom/playroom, with stunning vaulted ceilings providing considerable and versatile space. In addition there is a family bathroom and shower room making this a wonderful family home. The property still has the potential and space to be extended, if required, subject to planning permissions.

Outside

Externally, there are two entrances, the first provides plenty of driveway parking and leads to the front of the property. The other is a wider entrance and is gives access to the land and outbuildings.

To the rear of the property is a lovely South-facing garden that wraps around the property and includes wonderful views and a separate section with raised vegetable beds, a chicken shed with a solid concrete base and greenhouse.

In addition, there is approximately 3.8 acres of level, grassed pasture and woodland including a secure fenced paddock with gates, substantial garaging/workshop with electric roller doors and water connected, which has the potential to convert into an annexe/holiday let subject to obtaining the necessary planning consent. Orchard Cottage is an ideal opportunity for anyone looking for an equestrian-style property, open space for dogs or simply to have land for privacy. Alternatively there is potential, subject to planning, to use the land for camping and caravanning or luxury glamping pods, as the area is perfectly situated between the Devon and Cornwall border to attract holiday makers. Approximate room dimensions and land boundary plan can be found on the accompanying plans.
