SITUATION

Axbridge has in earlier times been a river port, allowing it to hold markets, fairs and become a rural borough. The town has changed little over the centuries and the medieval town expanded into a fortified Saxon borough and even today visitors can wander the winding streets that remain at the heart of this charming place.

Axbridge is well located for commuting to local business centres in Cheddar, Weston-super-Mare and Bristol via nearby M5 and A38. Bristol airport is approximately a 20 minute drive away.
