The village offers an excellent range of amenities including a church, primary school, pre-school, village hall, post office and general stores, together with two public houses. Stoke Gabriel is widely regarded as a lifestyle choice, offering a thriving community, boating and canoeing opportunities, river trips along the Dart and an active boating association providing RYA sailing training and a full calendar of events throughout the year.

Totnes lies approximately 4.4 miles away, with Dartmouth about 18.4 miles and Exeter approximately 27.5 miles.

DESCRIPTION

Occupying an elevated position with attractive southerly views across the village and towards the River Dart, Hillside is an impressive detached family home extending to over 2,000 sq ft.

The house offers well-proportioned, light-filled accommodation ideally suited to modern living. Generous reception space flows naturally from room to room, while the open plan kitchen and dining area provides a sociable focal point. To the rear, the beautifully arranged gardens rise to a terrace enjoying far-reaching views, creating a wonderful setting for entertaining and family life.

ACCOMMODATION

A large private parking area lies to the front, with steps rising to the entrance hall and staircase to the first floor.

The sitting room is a comfortable and spacious reception room with a built-in gas fire. To the rear, the open plan kitchen and dining room is well fitted with a central island and connects directly to the garden room. A study with separate WC and a utility room complete the ground floor.

On the first floor are four bedrooms. The principal bedroom adjoins a dressing room, formerly a fifth bedroom, which could easily be reinstated if required and which provides access to a shower room. A family bathroom with bath and separate walk-in shower serves the remaining bedrooms.

OUTSIDE

A wide private driveway runs along the property, providing parking for several vehicles and leading to a single garage. Cobbling and planted borders enhance the approach.

The rear garden is a notable feature, predominantly laid to lawn with mature planting, greenhouse, summer house and shed. At the top, a paved terrace enjoys excellent southerly views across the village towards the River Dart.
