SITUATION

Set on a sought after road in an elevated position over the town, with far reaching views over the busy harbour and to the sea, this beautifully presented period home is set in the historic fishing town of Brixham, on the South Devon coast at the southern end of the sheltered Tor Bay. The property is in close proximity of the town centre and harbour area.

Brixham is a bustling harbour side town, famous as a fishing port, and has one of the largest fishing fleets in the United Kingdom. The fresh catch is sold in the Fish Markets located on the quayside. Brixham is placed in such a way that the accommodation is located around the heart of the town, creating a warm and cosy ambiance. The town has a long enriched history and is famous for its Napoleonic connections, with the landing of William of Orange on the Quay in 1688. There is a very impressive marina, eternally popular with the boating fraternity, and many fine restaurants.
