## THE PROPERTY

Hillside Cottage is a very attractive and highly individual, detached, single storey cottage/character bungalow, in a popular and well established road within easy reach of Bridport town centre and amenities. The original building dates back some 100 years and was skilfully converted and extended in circa 1998/99 to create a very comfortable character home. It has classic brick-faced elevations under a slate roof.

The well maintained property offers excellent modern amenities including gas-fired central heating (boiler replaced some 10 years ago), traditional timber sealed unit windows, modern fitted kitchen, upgraded in 2021 (comprehensive range of appliances may be available by separate negotiation) and a modern shower room with large walk-in shower, fitted in 2023.

The attractive accommodation offers character style features including a stable door and feature brick and beamed fireplace and enjoys views over the town to the well known viewpoint of Colmer's Hill.

The property has been very successfully offered for holiday lettings.

Briefly, extending to a reception hall, living room (or living/dining room), kitchen/breakfast room (or kitchen/dining room) with French doors, two bedrooms, shower room.

## OUTSIDE

Hillside Cottage is set slightly elevated from Crock Lane and well screened behind a walled boundary, with access through double 5-bar gates onto a gravelled parking/courtyard area with raised stone borders. At the rear is a very pretty and well stocked private garden, attractively landscaped with paved terrace, pathways and a whole variety of flower and shrub beds, together with a mature apple tree.
