- Attractive landscaped garden
- Popular historic village
- Freehold. CTB: D

Guide Price £425,000

THE PROPERTY

Number 6 is a charming end-of-terrace home set in the attractive village of Pymore, conveniently close to Bridport. Enjoying a superb position overlooking the River Brit, the property also benefits from far-reaching views across surrounding fields, particularly from the upper floors. Built in 2002 as part of the Pymore Village Regeneration and was designed in the characterful style of the original rope-maker's cottages that once occupied the site, combining traditional cottage appeal with modern comforts.

The property has been meticulously maintained by the current owners and is in excellent order throughout. A welcoming porch provides a useful laundry/store cupboard with plumbing for a washing machine, leading into a wide hall. The ground floor accommodation includes a comfortable sitting/dining room with wood burner, a spacious kitchen fitted with attractive cottage-style units, wooden work surfaces and a breakfast bar, a cloakroom with WC and basin, under-stairs storage and a small conservatory enjoying views over the garden.

Three generous double bedrooms are arranged over the two upper floors. The first floor offers two bedrooms and a family bathroom, with one bedroom featuring fitted wardrobes and the other, currently used as a study, enjoying beautiful river views. The entire second floor is dedicated to an impressive principal bedroom with ensuite shower room and stunning views across the river and surrounding countryside.

Externally, the property benefits from a beautifully landscaped rear garden, a sizeable garage to the side and an allocated parking space, making number 6 a highly desirable home for a wide range of purchasers.

OUTSIDE

The garden at number 6 is designed to be easily managed without compromising on the highly desirable outdoor lifestyle offered by village properties. To the front is a gravelled garden which, enclosed by a wrought iron fence, frames the traditional cottage frontage of the property. Extensive landscaping has been carried out in the rear garden which is now arranged in a charming cottage style, featuring areas of lawn, sun terrace and herb beds, interspersed with well stocked flower and shrub borders.

To the side of the property is an extra length garage /workshop which benefits from power, light and storage in the rafters, and beyond the rear garden is a large allocated parking space.

PYMORE VILLAGE

Pymore is a unique former rope makers' village which is set on the River Brit and dates back to 14th century. By the 1700s, it had gained a reputation for ropemaking and its population depended for their livelihoods on rope and twine making at the village mill or growing flax and hemp in nearby fields. Rope walks were set up near the mill pond and outbuildings, cottages, a dairy and a brewery were built. A school was opened in 1870 as well as a girls' hostel. However the advent of man-made fibres forced the ropery to close in 1955, after which the village was deserted and the buildings became derelict until the village was regenerated in the early 2000s. The original properties were restored and new homes were built in a sympathetic local style. The result is a unique riverside village environment within very easy reach of Bridport town centre and a broad range of amenities.
