## THE PROPERTY

La Haye is a beautifully detached two storey house set in the peaceful village of Wootton Fitzpaine. Thought to have been built pre1980/90s of Purbeck Stone, this property offers great potential for multi generational living and plenty of space for hosting.

Upon entering the property through the entrance porch, you are greeted with the hallway to the right of which is the kitchen/family room. This is a large space perfect for entertaining with dual aspect views and includes an oil fired aga, induction hob and plenty of space for a fridge and freezer. There is space for a large dining table. Leading off the kitchen is the utility room which provides additional storage and space for white goods as well as providing plumbing for a washing machine and tumble dryer. The utility room also houses the newly serviced boiler.

The utility room follows through to the snug, which has views towards the hills behind, and a separate study with built-in desk and storage, there is private access from the driveway into the study, allowing scope to convert the snug and study into an annex.

Between the kitchen and snug is the dining room which currently has a large dining room table in, but it could also be used as a playroom. Off The entrance hallway is the sitting room with triple aspect views, a wood burner with Purbeck stone hearth, and French doors that lead out to the back garden. To the rear of the property is a downstairs WC as well as two useful built-in storage cupboards.

Stairs rise to the first floor with three good sized double bedrooms, all with fitted wardrobes and the family bathroom with Jacuzzi bath, wash basin and WC. The master bedroom has its own ensuite with walk-in power shower. There is a loft hatch with ladder and light to the partially boarded loft.

## OUTSIDE

The large driveway has ample parking for at least six cars. The garden wraps all the way around the house allowing for ease of access, with three separate seating areas laid to patio and decking allowing you to soak up the sun late into the day. The garden is neatly landscaped with shrubs surrounding the borders and a garden shed for outside storage.

There is potential subject to planning for a garage to be built at the property.
