THE PROPERTY

Plenty House is a fine and substantial detached country house, in a very peaceful and private rural setting within the Marshwood Vale on the outskirts of Whitchurch Canonichorum. It is understood to date back to the 18th century, with later additions in the 19th century, having colour-washed rendered elevations under a slate roof.

The house has been under the current long ownership since 1981 and over the years a whole number of improvements and alterations have been carried out. The accommodation is well proportioned and arranged over three floors with numerous classic features including a fine staircase, stripped pine doors, sash windows, fireplaces and flagstone floors. There are lovely views over the gardens and grounds and the surrounding countryside and hills.

The extensive gardens and grounds are also a further feature together with a self-contained flat and extensive outbuildings.

The accommodation extends to:
