THE PROPERTY

15 Napier Close is a very spacious terraced village house in a peaceful and sought after Bride Valley village, very close to the coast. It was privately built by the well-respected local builder, Rosamund, with reconstituted stone-faced elevations. The house faces east/west and enjoys pleasant views over the village and the Bride Valley.

Under the current ownership, the house has been subject to extensive upgrading/improvement and a loft conversion, to now provide a very spacious home.

The many excellent modern features include electric central heating (water filled radiators and pressurised system), replacement part leaded light style uPVC windows and doors, modern fitted kitchen with pine worktops and Rangemaster range cooker, uPVC conservatory and modern bathroom and en-suite facilities. In addition, the living room features a large stone fireplace with wood burner.

Properties of this size and price range rarely come up in the Bride Valley and viewing is strongly recommended by the sole agents.

OUTSIDE

There is a single garage with parking to the front, allocated nearby there is also a parking space directly opposite the rear garden (not part of the freehold title).

The property overlooks a private open green, which is owned by some of the residents in Napier Close (the area immediately in front belongs to No. 15). The residents pay a contribution towards the grass cutting of the green (currently around £5 per month per house).

There is a small lawned front garden. The rear garden enjoys a sunny west-facing aspect and lovely views over The Bride Valley. It is fully enclosed and designed for easy maintenance, down to paving with borders plus rear pedestrian gate.
