## ACCOMMODATION INCLUDES

The main farmhouse extends to over 3,400 sq. ft. and has been thoughtfully refurbished by the current owners to retain its original character while creating a bright and welcoming family home. At the heart of the ground floor is the kitchen/breakfast room, finished with a limestone floor, oak worktops, a four-oven AGA with electric companion, a double Butler sink and an integrated American-style fridge freezer. This central space flows naturally through to the rest of the house.

There are two generous reception rooms: a double aspect sitting room with a wood burner set in an impressive inglenook fireplace, and a separate dining room with exposed beams and a window seat that adds to the character. Also on the ground floor is a study accessed via the dining room, a utility room and a cloakroom

Upstairs, the first floor offers five double bedrooms, all featuring high ceilings and period details. The principal bedroom is a spacious, double-aspect room with fitted wardrobes and a modern en suite bathroom with a walk-in shower. Bedroom two also benefits from its own en suite shower room. The remaining three bedrooms are served by a Jack and Jill bathroom, which is also accessible as an en suite to bedroom three. The landing is lit by an original mullion window, believed to date from the 1700s, adding a unique touch of history to the space.

## OUTSIDE

The farmhouse is set within a good-sized, well-maintained garden offering a mixture of lawned areas and established planting. A driveway leads to parking for several vehicles. The garden is set at the front of the property and provides a peaceful, attractive setting for outdoor entertaining and relaxation, with countryside views and space for families to enjoy.
