SITUATION

This superbly located home is situated in the heart of the sought-after and exclusive village of Crapstone, just outside of Dartmoor National Park. Open moorland is accessible within 250 yards, which naturally offers extensive opportunities for those interested in walking, riding or cycling directly from the doorstep, with active families or energetic pets, or who otherwise enjoy an outdoors-oriented lifestyle. Crapstone is within easy reach of Yelverton and the town of Tavistock, and within commutable distance of Plymouth including the catchment of Derriford Hospital and the city's schooling options. Yelverton provides an excellent range of day-to-day amenities including a mini-supermarket, butchers, delicatessen, cafe and pharmacy, whilst the village also has a GP Surgery, Texaco fuel station, Post Office and Veterinary Surgery. For sports enthusiasts, there are golf, cricket, tennis and bowling clubs. The thriving town of Tavistock, 6 miles away, offers a superb range of shops, schools and recreational facilities, including the sought-after private and independent school, Mount Kelly, with its world-renowned swimming programme (the reason why the present owners moved here). Plymouth city centre is 10.5 miles to the south.

DESCRIPTION

Of impressive stature, this superbly proportioned, individual family home was built in 2007 and is solidly constructed of cavity blockwork beneath a slate roof. The house has drawn significant design influence from the surrounding period houses whilst having been finished with an exceptional level of modern comfort, convenience and energy efficiency. Totalling over 3,200 sqft, the house is characterised by large, bright, square rooms perfect for active family life, entertaining and socialising. Externally, the house is complemented by a large drive and generous garage, plus a manageable rear garden. There is no onward chain.

ACCOMMODATION

Complete with high-quality fixtures and finishing touches throughout, the ground-floor accommodation briefly comprises; a sizable bay-fronted living room centered around an attractive stone fireplace housing a gas fire; a dining room with patio doors to the garden; a separate snug sitting room/study; a large kitchen/diner; a dedicated utility room; a triple-aspect conservatory, and; a cloakroom. Of particular note, the kitchen is equipped with a fantastic range of cupboards and cabinets plus a large central island, all with black granite worktops. Integrated appliances include an AEG combination microwave and grill, an AEG coffee maker, a Smad drinks fridge, a Beko dishwasher, a separate NEFF slimline dishwasher and a full-height freezer. Additionally, there is a Rangemaster Professional+ gas-fired range cooker, space for an American-style fridge/freezer, and a large, central island/breakfast bar with extensive further storage. Across the two upper floors are five large double bedrooms, three of which are served by well-appointed en-suite shower rooms and two of which utilise the fully tiled, 4-piece family bathroom. The incredibly spacious master suite also benefits from a walk-in dressing area and is linked to the fourth bedroom, which could therefore serve as a dressing room or cot room. On the second floor is a large double bedroom with its own cleverly designed en-suite shower room and fitted wardrobe space, plus a walk-in eaves storage cupboard.

OUTSIDE

At the front of the house is a good-sized, block-paved drive providing extensive parking and access to the detached garage, with a remote-controlled roller shutter door. Running the length of the rear of the house is a substantial paved terrace, from where there are steps up to an area of lawn with shrub borders. There is pedestrian access out to a service lane which provides quick access to the open moorland of Roborough Down.
