## SITUATION

The property is situated on Pathfields Business Park on the northern edge of the traditional and thriving market town of South Molton with a junction on the A61 (North Devon Link Road) only a short distance away. The town offers a comprehensive range of amenities, including schooling from nursery to secondary level, Sainsbury's supermarket, Post Office, pubs, cafes and an abundance of independent and artisan shops. The town also bustles when the popular twice weekly pannier and weekly stock markets take place.

The A361 (North Devon Link Road) bypasses the town and provides an excellent link to Barnstaple and the North Devon coast to the west and the M5 (J27) and Tiverton Parkway train station (London Paddington approx. 2 hours) to the east. The boundary of Exmoor National Park is only 5 miles away.

## DESCRIPTION

On the market for the first time in about 50 years due to retirement, the sale of Morwenna and the former builder's yard presents a unique opportunity. The house is spacious and superbly presented throughout and has been a family home for a generation. The house is complemented by enclosed gardens, parking and excellent garaging.

The commercial aspect of the site is strong, with the yard, amounting to just under an acre itself, also having a range of adaptable buildings and only being a stone's throw from the A361.

The house and yard together offer vast potential for other commercial uses (subject to gaining the necessary planning consents).
