Situation

Radley View is set in a tucked away location at the end of a peaceful cul-de-sac on the edge of South Molton. The traditional and popular market town offers a comprehensive range of amenities, including schooling from nursery to secondary level, Sainsbury's supermarket, Post Office, pubs, cafes and an abundance of independent and artisan shops. The town also bustles when the popular, award winning twice weekly pannier and weekly stock markets take place.

The recently improved A361 bypasses the town and provides excellent access to the regional centre of Barnstaple to the west and to Tiverton, the M5 and Tiverton Parkway train station (London Paddington 2 hours) to the east. Both Exmoor National Park and the renowned North Devon coastline are within easy reach by car.

Description

Of rendered block cavity construction under a tiled roof, Radley View is a superb detached bungalow that has been significantly extended by the current owners to provide an excellent and spacious family home with some features giving it a character feel, particularly in the kitchen/dining room. The bungalow is set in a large plot of landscaped gardens and grounds which provide plentiful parking and an excellent degree of privacy from neighbouring properties.

Accommodation

An open PORCH and front door lead into an ENTRANCE LOBBY/BOOT ROOM with wall to wall door mat flooring. A door leads into a HALL with coat, storage and airing cupboards. The extended, triple aspect LIVING ROOM is a large room with a fireplace with slate hearth and wood-burning stove, built-in shelved cupboard and a glazed door to the outside. The impressive, double aspect KITCHEN/DINING ROOM has doors to both side and rear gardens and has a fitted four oven electric Aga with a fitted dresser style unit to the left. There is a ceramic sink unit with slate worktops either side, plumbing for dishwasher, plumbing point for an upright fridge/freezer and a door into a purpose built PANTRY with a tiled floor, extensive shelving, slate shelf and an air conditioning unit for cooling.

The BATHROOM has a ceramic tiled floor and a roll top claw foot cast iron bath, large shower cubicle with mixer shower, pedestal wash basin, WC and heated towel radiator. There are FOUR DOUBLE BEDROOMS with two having fitted wardrobes. The MASTER BEDROOM is a large double with glazed double doors to the rear gardens and a shelved cupboard. The EN-SUITE SHOWER ROOM has a large shower cubicle with mixer shower, pedestal wash basin, WC and heated towel radiator.

Returning to the entrance lobby, a door to the left leads into the garaging. The original double garage (could be reinstated if required) has been subdivided to provide a GARAGE/UTILITY with Belfast sink, plumbing for washing machine, boiler for hot water and central heating and wall-mounted units. The second garage has been sub-divided to provide an OFFICE/STUDY and a smaller garage suitable for motorcycles or general storage.

Outside

The property is approached over a wide entrance drive that provides plentiful parking and leads up to a large carport. To the right of the driveway is an area of lawn.

Landscaped gardens surround the property, with the main area of garden to the rear. It is mainly laid to lawn, with a patio and gravelled path leading to a slightly raised area of decking in the corner. There are also numerous raised vegetable beds. Tucked away around the rear is an excellent greenhouse and various timber framed buildings including a log store, aviary and garden shed. To the eastern side is a sheltered 'courtyard' garden which is accessed from the kitchen and perfect for outside dining.

In total the whole plot extends to about a QUARTER OF AN ACRE.
