## DESCRIPTION

Stags are thrilled to present to the market this substantial, executive style family home of considerable scale. It has been beautifully modernised and well maintained by the current owners to include a refitted kitchen and replacement gas boiler. An outstanding family house which has been extended in previous years now offering in excess of 3500 sq ft of usable accommodation and owing to this, lends itself with clear scope for multigenerational occupation with its versatile configuration and generous proportions.

On entering the house there is immediately a sense of space with a large reception hall that leads off into the office and spacious open plan kitchen/ breakfast room which offers plenty of space for a kitchen table plus there is a separate dining room. The kitchen has been refitted by the vendors, finished with stylish modern cream fronted cabinets with solid wooden worktops and integrated appliances. From the dining room there are double doors through to the large 'wrap around' conservatory enjoying views over the gardens with doors leading directly out. In addition there is a 24'7 utility room with second staircase rising to the upstairs and integral door into the large garage. The principle sitting room is located to the front and is off the entrance hall and dining room and enjoys a wonderful bright dual aspect setting. The staircase leads up to the generous first floor landing and to seven bedrooms all told with three bathrooms and a walk-in dressing room.

Overall the property offers an exciting opportunity for Truro buyers with internal viewing highly recommended.
