SITUATION

Primely situated up above the quay and general "hustle and bustle" in the central Conservation Area of Mevagissey with elevated and uninterrupted views of the inner harbour, 19 The Cliff is approached over pedestrian paths and boasts a superb position. The historic village of Mevagissey, which is an Area of Outstanding Natural beauty, is renowned for its picturesque myriad of narrow streets around the inner and outer working harbours where there are numerous public houses, cafes, restaurants, gift and everyday shops. The market town of St Austell is about 5 miles to the north and offers a more comprehensive range of shopping, schooling, social facilities and amenities and there is a railway station on the London Paddington main line.

DESCRIPTION

As shown on the floor plan, the complete accommodation for 19 The Cliff is arranged over three storeys, with the main house forming the upper two levels and the apartment the lower ground levels - each with independent accesses.

The main house offers an Entrance Hall, 3 Bedrooms and a Shower Room on the upper level - all of which all benefit from superb uninterrupted views of the harbour. There are 3 stairs which lead down to the middle level which includes an Internal Hall with access to spacious open-plan Living Room with exposed stone wall, wood-burning stove and kitchen area with range of fitted units and space for appliances. Adjacent is a 4th Bedroom/2nd Reception Room and also on this level is a Bathroom. Again, all these main rooms benefit from impressive views of the harbour.

Outside is a small Seating Space which enjoys elevated views over the outer harbour and the sea beyond.

The Apartment offers a small Reception Space, Shower Room, Kitchen/Living Room, with range of fitted units and space for appliances, and a Double Bedroom. The Kitchen/Living Room and Double Bedroom benefit from views of the harbour.
