## DESCRIPTION

This historic grade II listed largely thatched home is surprising spacious having been once two cottages, it has been beautifully refurbished and improved by the current owners forming a light and airy feel with plenty of character including fireplaces, timber windows with shutters and lots of exposed beams.

The accommodation is wonderfully presented, a covered entrance porch leads you invitingly into the lovely dining hall, which has lots of built in storage and a door to a downstairs shower room.

In the heart of the cottage is wonderful character family room centred on an inglenook fireplace with gas fired stove, there are also two window seats.

To the rear is the fitted kitchen/breakfast room with space for a table, as well as a double Belfast style sink, integrated dishwasher, fridge/freezer, Bosch electric hob, oven and combination oven/microwave. A stable door looks over the rear garden and countryside views beyond.

There is also a cosy lounge with feature inglenook fireplace and a door to the rear through a utility room.

On the first floor there are three double bedrooms each with part vaulted ceilings giving lots of extra head height. The largest bedroom has fitted wardrobes and there is a generous family bathroom with Jack and Jill door to a bedroom and luxurious roll-top bath.
