SITUATION

Beer nestles on the World Heritage Jurassic Coastline and is a typical example of an unspoilt Devon fishing village, in an AONB. It is famous for its quarried stone that has been used in many historic buildings such as Exeter Cathedral and St Pauls Cathedral. Beer has a variety of shopping and recreational amenities which include restaurants, public houses, post office, galleries, two churches, doctors surgery and sailing club.

Some 8 miles to the west is the Regency town of Sidmouth with an extensive variety of shops including an out of town Waitrose. Exeter is approximately 22 miles to the west and has excellent shopping, sport and leisure facilities, international airport and a main line rail link to London (Paddington and Waterloo). Colyton Grammar School, one of the country's top mixed state schools is also within easy reach, being about 4.5 miles away.

DESCRIPTION

Hillcott is a delightful double-fronted detached house, featuring rendered elevations under a tiled roof, set in the highly sought-after village of Beer. The property offers breathtaking countryside and sea views, making it a truly exceptional find.

This charming home retains many original features and provides light-filled, spacious accommodation throughout. Upon entering, the ground floor welcomes you with a generous hallway that leads to an impressive kitchen/dining room, where panoramic sea views create a stunning backdrop. The ground floor also includes a practical utility room, a handy pantry, and a convenient downstairs cloakroom. A back door opens out to the beautifully landscaped rear garden, perfect for enjoying the outdoors.

The living room is a bright and inviting double-aspect space, complete with a feature fireplace, elegant stripped floorboards, and bay windows that showcase additional sea views.

Upstairs, the first floor houses three well-proportioned bedrooms. The primary bedroom benefits from an en-suite shower room, while the other bedrooms share access to a tastefully appointed family bathroom.

OUTSIDE

At the front of the property, a paved parking area accommodates one vehicle, while a driveway offers additional parking for two more cars. A spacious paved terrace provides the perfect spot to take in the sweeping views across the village, extending towards the beach and the sea beyond.

The rear gardens have been thoughtfully redesigned by the current owners, creating accessible and inviting seating areas across multiple levels. The uppermost part of the garden is laid with decking, providing an ideal vantage point to fully appreciate the stunning views. Additionally, a rear pedestrian gate opens directly onto a public footpath, offering a convenient route into the village.
