SITUATION

Located in a rural setting between the villages of Northleigh and Offwell both of which lie in close proximity to the market town of Honiton and the Regency coastal town of Sidmouth. Northleigh nestles in a sheltered valley set in The East Devon National Landscape and has a pretty Parish Church and Village Hall as well as delightful walks throughout the locality. The house sits south facing into the hillside, positioned within its own mature gardens and grounds with a sunny aspect, enjoying views over the fields to the side.

The market town of Honiton lies approximately 4 miles to the north west and has a range of independent shops including many antique shops, a main line rail link to London (Waterloo) and 8 miles to the south is the World Heritage Site, known as the Jurassic Coast. Exeter, the Cathedral City and County Town, is some 21 miles distant with an excellent shopping centre, theatres, main line rail link to London (Paddington), M5 motorway access and small international airport. The property lies approximately 5 miles from the renowned Colyton Grammar School, one of England's top secondary schools.

DESCRIPTION

This attractive period home dates from the 1800s and is constructed of local flint stone with bespoke handmade timber double glazed windows. Formerly two cottages, the property has been the subject of a comprehensive programme of improvement over the years and now provides comfortable and well-presented family accommodation, combining character features with quality fixtures and fittings throughout. The rooms are notably light and spacious, with a pleasing outlook over the surrounding gardens and countryside.

A traditional entrance hall leads through to the elegant sitting room, featuring an inglenook fireplace with wood burning stove. The generous kitchen/dining room is fitted with bespoke units and granite worktops, centred around an island, and benefits from French doors opening onto the gardens, providing an excellent space for family living and informal entertaining. Also on the ground floor is a second substantial triple-aspect reception room with wood burning stove, together with a recently extended utility room and cloakroom.

On the first floor there are three double bedrooms, the principal bedroom enjoying a double aspect, built-in storage and an en suite bathroom fitted with a claw foot bath. The family bathroom has recently been updated and includes both a claw foot bath and separate walk-in shower.

The second floor provides two further double bedrooms and a modern shower room, offering flexible accommodation suitable for a variety of uses.
