SITUATION & AMENITIES

The property is situated within a private cul-de-sac near the Tarka Trail, which is a cycle/walking track and formerly the railway line into the area. This stretches for many miles through North Devon. Opposite the Tarka Lane development is a bus stop and public house/restaurant. Tarka Lane is about 2 miles from the sea front of Woolacombe and offers convenient access by car to the nearby larger town of Ilfracombe. The A361 connects to Barnstaple, North Devon's main trading centre with shops, supermarkets, a train station, bus station and plenty more. Nearby Croyde is similarly popular especially with surfers as is Saunton, some 4 miles away offering two links golf courses one being Championship standard. At Barnstaple there is access to the North Devon Link Road which runs through to Jct. 27 of the M5 Motorway, where Tiverton Parkway can also be found, offering fast service trains to London Paddington in just over 2 hours.

DESCRIPTION

A detached modern home with painted, rendered elevations with blue/grey cladding to the gables beneath a slate roof. We understand the property was built around 2015 and has been used as a holiday let by the current owners since then. Most recently the vendors successfully applied for a change of use from holiday let to that of full residential use.
