SITUATION & AMENITIES

Woolacombe sits on the North Devon coast and is popular with visitors from all around the country primarily because of its award-winning Blue Flag golden sand surfing beach. In addition, the village is surrounded by rolling National Trust landscape, which offers many miles of walking along some of the most breathtaking coastal scenery in the country. Adjacent to the property is a footpath which leads directly to the centre of Woolacombe in 10-15 minutes and on to the beach. The village amenities include a variety of shops, bars and restaurants, various other leisure facilities, primary school and health centre. The nearest larger town is Ilfracombe – being about 5 miles. Barnstaple, the regional centre is about 14 miles and offers many of the big-name shops, as well as Pannier Market, North Devon District Hospital, a rail link and direct access on to the A361 North Devon Link Road, which in a further 45 minutes or so joins the M5 Motorway at Jct.27. From here Tiverton Parkway offers a fast service of trains to London Paddington in just over 2 hours. A little further along the coast is the famous surfing beach of Croyde, and beyond that Saunton Sands – also with Championship Golf Course. Exmoor National Park is less than ½ hour by car. The nearest international airports are at Bristol and Exeter. The area is well-served by excellent state and private schools, including West Buckland and Blundell’s at Tiverton.

DESCRIPTION

Greenacres was extensively modernised, reconfigured and upgraded to a high specification, with works completed in 2022. The most notable improvements included; rewiring, new plumbing, new insulation, new flooring and new roof. The house presents elevations of grey cement fibreboard with double glazed doors and windows, beneath a slate roof. The rear elevation is relieved by a First Floor balcony, from which the best of the magnificent sea views can be enjoyed. The grey contemporary then continues throughout the accommodation, excluding the kitchen units which provide a contrast. The rooms are bright, spacious and can be arranged as one large family home or for dual occupation by parts of the same family. Alternatively, the property also lends itself to home and income use. The house is complemented by landscaped gardens, which has been designed with ease of maintenance in mind and to follow the sun around. Generally, the emphasis is on entertaining, leisure and to enjoy fantastic views of the beach/ocean, as well as the sunsets – be that from the balcony, hot tub, principal rooms or terraces. The house is considered to be ideal as principal residence, 2nd home, UK base, lucrative holiday let or a combination of these uses. This is certainly a property which needs to be viewed internally to be fully appreciated.

OUTSIDE

ATTACHED DOUBLE GARAGE with electric up-and-over door, power and light connected. From the road there is a gated entrance. The drive slopes down to the upper car park, with space for 3-4 vehicles. This leads down to the garage and the front of the house, where there is additional parking for several vehicles. To the right of the front door a pedestrian gate leads to the FRONT GARDEN, where a path adjoins the house. There is an area of lawn and painted retaining wall. To the right of the house is a LOWER TERRACE with shower for surfers or washing the dog. There is a ramp to the next level where there is a HOT TUB – once again sited to enjoy the views and sunsets. Adjacent to this is a GARDEN STORE. There is then a bank of grass bounded by shrubbery and stone wall support to the initial part of the entrance drive. At a higher level is a further STORAGE SHED. A grass pathway leads to the LOWER GARDEN which is on 5 levels and follows the hillside – mainly laid to grass and bordered by a stream. Within this area is a small TIMBER BARN and the gardens adjoin open farmland. There are strategically placed water taps, security lights and cameras.

SERVICES

All mains services connected. Gas-fired central heating. The property is fully networked with ethernet sockets in every room.. Full fibre internet [currently 330Mbps]
